Document name	Document number	Document revision / date
1.1 Assembly drawings	29616425	AC / Mar 03, 2021
Product type	Product code	Customer reference
BioProcess Modular System 1 1/2 Inch	see table	see table
Reference	Product model revision	Page number
see table	N/A	2 of (8)

Note: All dimensions ± 10mm

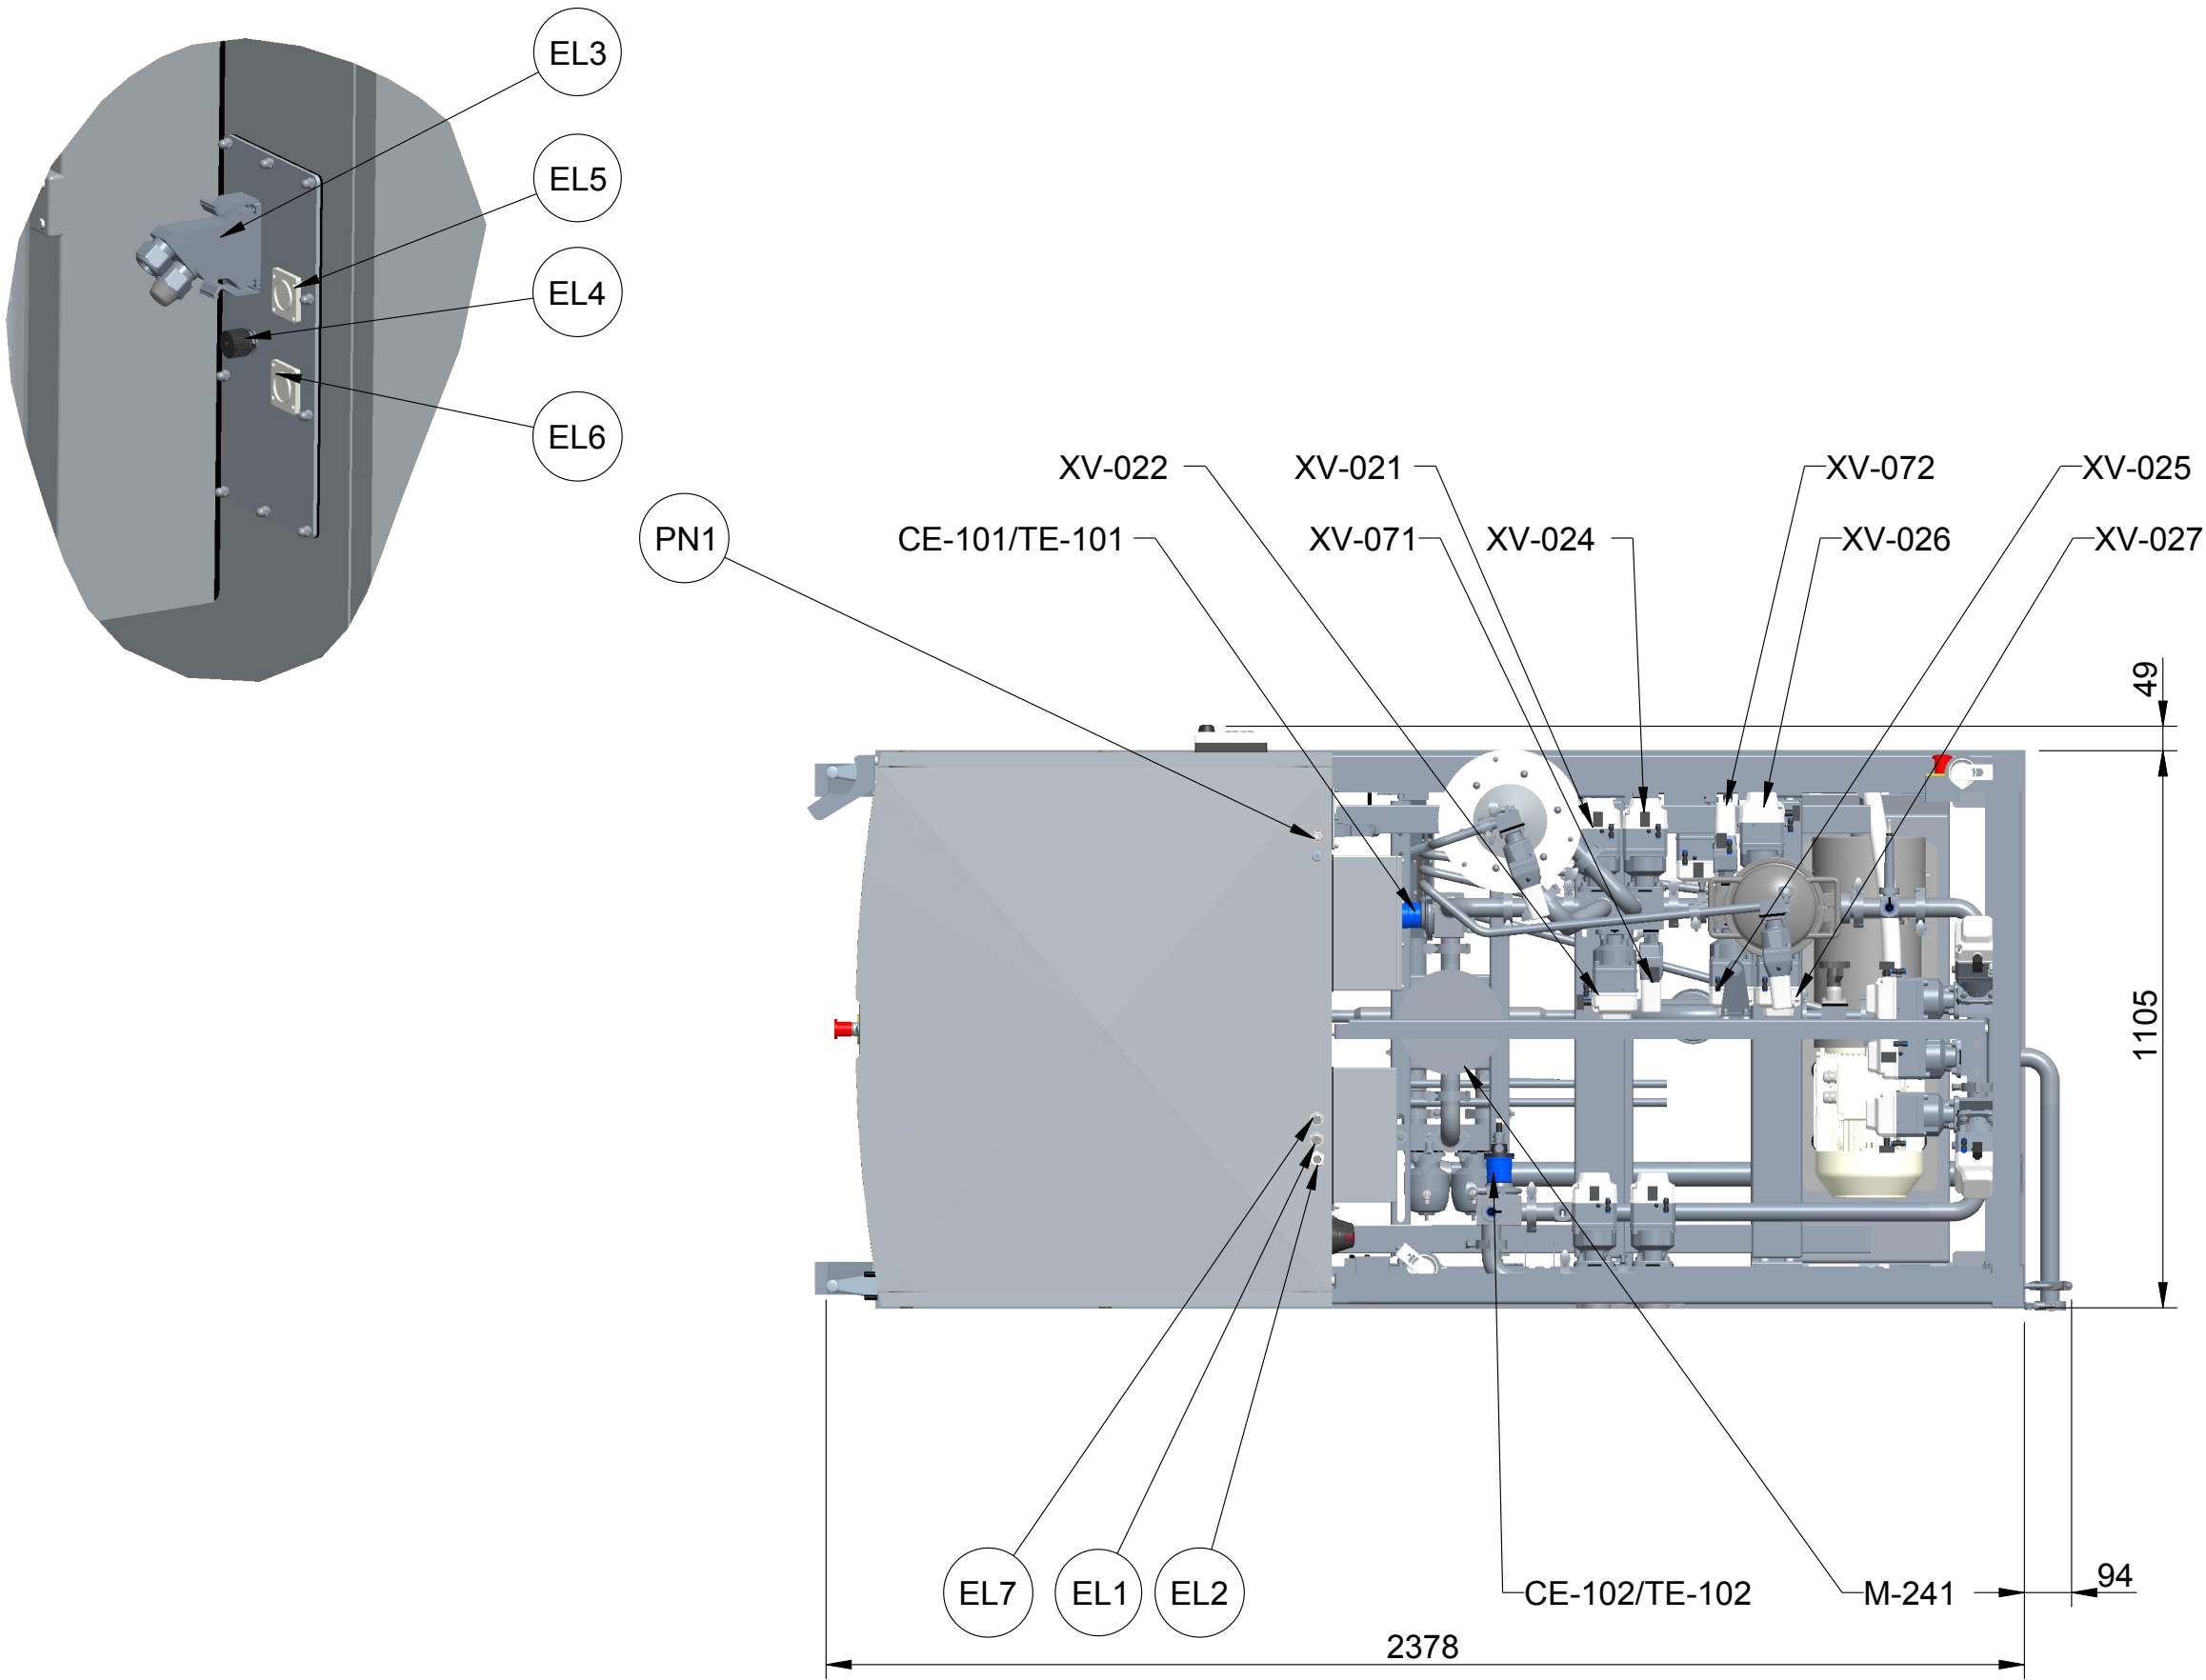

Drawing references:
References in format: "AE-121" refers to tags, format "1,2,3..." refers to position numbers, "B1, P1, ME1" refers to battery limits and "iME1" refers to internal battery limits.
The references can be found in: Piping and instrumentation diagram, Bill of material, General specification, Spare parts list and Material conformity.
